THE POWDER ROOM *skincare services*

THE POWDER ROOM PRIME 40

An absolute must prior to your special event makeup or any time your skin needs a quick pick me up. Facial includes cleansing, toning, exfoliation, and moisturizing.

30 minutes

TREATMENT FOR YOUR EYES ONLY 35 *alone* 25 *w/a facial*

Exfoliate, hydrate, firm, reduce puffiness, tighten and reduce lines in the delicate and expressive eye area.

CALMING COCOA FACIAL 75

This is an elegant facial with soothing and calming properties. The enticing aroma of the cocoa enzyme makes it appealing as well as relaxing. Excellent for use on rosacea, sensitive skin and all skin types. *50 minutes*

DERMA FROST PEEL 80

The perfect peel for acne conditions, excessive oil, and post-acne scars. Derma Frost is less irritating than AHA peels and does not alter the skin barrier functions.

40 minutes

DEEP PORE FACIAL 90

Cleansing, steaming with exfoliation, facial mask and extractions are used to clear the pores and clarify the skin. Excellent for oily skin, acne and improving the texture of all skin types. *60 minutes*

OXYGEN RX FACIAL 135

This is a topical oxygen treatment, which increases tissue repair in many skin conditions. Excellent for acne, rosacea, sun damaged and aging skin. It is also beneficial for treating broken capillaries. This is a highly recommended facial for pigmented skin, for those who are smokers or have recently traveled. *60 minutes*

FIRMING COLLAGEN FACIAL 135

Promotes skin firmness and enhances skin elasticity with 100% marine collagen peptides and Peptide Mobilizer, a unique product that penetrates the skin to reduce the appearance of wrinkles. At home treatment also available. Can prolong the effects of “Botox” or “Restylane.” *60 minutes*

SWICH REJUVENATION TREATMENT 165

Activates your skin’s natural repair system to reverse sun damage and decrease aging changes. The active ingredients continue to repair your skin for up to one month after the treatment. Please no renova or retin A four weeks prior. Comes with take home products to continue the treatment at home. *90 minutes*
